

NOTICE

Registration of Undertaking Environmental Impact Assessment Regulation Clean Environment Act Opportunity for Public Comment

On **April 16th, 2017**, WSP registered the following project on behalf of Wisokolamson Energy LP with the Department of Environment and Local Government in accordance with Section 5(1) and Schedule "A" of the Environmental Impact Assessment Regulation: **Wisokolamson Energy Project – Environmental Impact Assessment, Project Number 1494**.

The purpose of this Environmental Impact Assessment undertaking is **to adhere with the above regulations and process; wherein Wisokolamson Energy LP is proposing the development of the Wisokolamson Energy Project (the Project)**. The proposed Project will have an aggregate electrical capacity of 18 MW. The Project will consist of **five (5) wind turbine generators, access roads, collector system, substation, and associated temporary laydown areas required for construction**.

The proposed Project is located on **Crown land, south of New Ireland Road, in Albert County, New Brunswick, on PIDs 00782201, 01091685, and 00785261**. The Project's electrical substation will be located on a private parcel adjacent to a section of New Brunswick Power's 69 kilovolt circuit which ends at the **Albert substation, south of Riverside-Albert on PIDs 05044177, and 00633784**.

The Proponent's registration document can be examined at:

- Online: http://www2.gnb.ca/content/gnb/en/departments/elg/environment/content/environmental_impactassessment/registrations/2018.html as well as on the Project website at: www.wisokolamsonenergy.com.
- Paper copy at the Village of Riverside-Albert:
5823 King Street, Riverside-Albert, NB E4H 4B4
- Paper copy at the Village of Alma: 8 School Street, Alma, NB E4H 1L2
- Paper copy at the Department of the Environment and Local Government, Environmental Impact Assessment Branch, 20 McGloin Street, Fredericton, NB.
