

COMMUNITY ENGAGEMENT SESSION

Proposed Deersdale Wind Energy Project

SWEB Development (SWEB) is hosting a community engagement session regarding the proposed Deersdale Wind Energy Project. This is a proposed three (3) wind turbine generator project that if built, will be located south/southeast of Deersdale, NB. This engagement session will allow stakeholders to meet SWEB's development team, learn about the project's benefits, ask questions, and provide feedback to shape the proposed project.
